## Technical Skills

---

**Languages:** Python, Java, C++, C, Dart, HTML, CSS, JavaScript, SQL, MongoDB, Linux

**Developer Tools:** VS Code, Eclipse, AWS, Android Studio, Netbeans, Github, Docker

**Frameworks:** React, Node.js, Express, Django

## Projects

---

### Integrated Development Environment | *React, Node.js, Express.js, Mongo db* October 2024

- Developed a full-stack IDE using React.js for the frontend and Node.js with Express for the backend, enhancing user interactions and coding capabilities.
- Integrated and implemented a MongoDB database to optimize storage and retrieval of user profiles, reservations, and code submissions.
- Built a RESTful API to handle authentication, registration, and core application functionalities.
- Utilize Cors.js for secure authentication and data validation, ensuring robust access control and integrity.

### ChatBot | *Python, Gemini, Visual Studio Code* October 2024

- Built a Python-based chatbot integrating the Gemini API for automated user interactions and response generation.
- Implemented image processing with OpenCV and PIL to analyze and enhance visuals before generating descriptions.
- Developed a responsive UI using Streamlit, linking six distinct scenes to improve navigation and boost task completion rates by 30%.

### Parkinson's Disease Prediction Using Audio Samples | *Python, Visual Studio code, AI/ML* April 2025

- Developed a machine learning model to detect Parkinson's disease using vocal biomarkers (jitter, shimmer, HNR) from patient audio samples.
- Used Python, Librosa, and PyaudioAnalysis for audio feature extraction and preprocessing of voice recordings.
- Trained and evaluated classifiers like SVM, Random Forest, and Logistic Regression using scikit-learn, achieving high accuracy.
- Delivered a non-invasive, cost-effective AI solution for early-stage Parkinson's detection, suitable for remote screening applications.

## Certification

---

### Cloud Infrastructure Certification September 2024

CDAC, VIT Chennai Chennai, Tamil Nadu

## Education

---

### Vellore Institute of Technology July 2024 – May 2026

Master of Computer Application, 8.45 CGPA Chennai, Tamil Nadu

### LN Mishra College of Business Management July 2021 – May 2024

Bachelor of Computer Application, 7.7 CGPA Muzaffarpur, Bihar
